(c) Steps taken/being taken by State Transport Authority, Delhi and Delhi Poiice to improve safe plying of buses in Delhi are given in the enclosed Statement.

Statement

Steps takenibeing taken to reduce accidents in Delhi

" The followinng steps have been 'taken by STA, Delhi and Delhi Police to reduce the accidents:

1. Refresher Courses for 'the drivers of the public service buses were stated in November, 1992. The drivers of the buses were subjected to profi ciency test. 1080 drivers have been given refresher courses/passed proficiency test at Govt. Motor[1] Driving Training School of Transport De-. partment till August, 1993.

2. The Transport Department, Delhi has set up a complaint cell and 117 permits of buses including 82 permits of Red Line buses were suspended/ cancelled between the period April, 1993 to November, 1993 which were involved in road accidents. In addi tion, 17 permits of Red Line buses were suspended/cancelled on. account of complaints for not following the time schedule and route violation in cluding misbehaviour. In addition to discipline the drivers, Delhi Traffic Police prosecuted 65972 Red Line hus drivers for various offences from 1.1.1993 to 30.10.1993. 22,000 prosecutions were made by th? Transport Department upto August, 1993 against Red Line buses. 2982 cases of over-speeding of Red line buses were impounded during 1.10.92 to 31.8.1993.

3. Measures have also been taken by Transport Department to ensure strict compliance of proviiong of Motor ehicl© Act with regard to issue of driving licences as well a fitness of the vehicles.

The Delhi Police have also taken following steps to check the accidents. (i) Strict and rigid enforcement of traffic rules and regulations.

(ii) Organising special drives aga rash and negligent driving, *dti*\ without licence, drunken driving i red light jumping etc.

(iii) Regular prosecution of viola by issue of notice.

(iv) Introduction of traffic sign Blinkers in accident prone area.

(v) Deployment of more tr policemen in accident prone area.

(vi) Special mobile checking National Highways.

(vii) Prosecution through most dern equipment i.e. Alcometer Radar Gun.
